

# OCK-10

## Optical Cleaning Kit

### Key Features

- Complete set of tools for connector cleaning and maintenance to ensure all measurements are done in the best conditions
- Robust field carrying case
- Keep your optical connectors at their best for inspection, maintenance and troubleshooting networks
- An essential kit at a very reasonable price

To improve and assist fiber optic connection performance optical connectors need to remain clean. Fiber end surfaces need inspecting and cleaning prior to being placed in service.

The SMART optical handhelds range offers a brand new cleaning kit - the OCK-10 Optical Connector Cleaning Kit as part of its range of essential accessories to maintain your handhelds performance.

The OCK-10 is a complete set of cleaning tools in a robust case for field service.
